GOAL SETTING CONFERENCES

Dear Parents and Caregivers:

Welcome to the 2023-24 school year! Our **Goal Setting Conferences** are an important and exciting way to start the school year. During this time, you and your child meet with the teacher to share ideas and plans about your child's individual interests and goals. At the Goal Setting Conference, your child's teacher will work together with you to develop a set of goals.

- **To Schedule Your Goal Setting Conferences on August 30th and 31st:**

Please go to www.rmms.k12.ct.us to schedule your appointment(s) by **August 23rd**. If you have any questions, please call 860-437-7775, from 8:30 am to 4:00 pm:

You will need:

- Your child/children's name(s)
- Each child's teacher for the upcoming year
- Times that you are available to meet on any of the two designated days.

Please do not leave a message.

- **To best prepare for the Goal Setting Conference:**

- Read through the **RMMS Compact** for an overview of our areas of focus as a school.
- Talk with your child about areas that they feel would be an important focus for them for the school year. The areas can be academic, physical or social.
- Use the bottom of this letter to write a few ideas that your child and you have agreed would be good goals for the upcoming year and bring to your conference. Also include specific interests your child has that may be helpful for the teacher to know.

- **Be sure to bring with you to the Goal Setting Conference:**

- ☐ Each child's Residency Confirmation & Contacts completed online in your PowerSchool portal. The Residency Verification Form signed by district is only needed for **students with a change of address**.
- ☐ A signed COMPACT for each child.
- ☐ This Goal Setting planning form
- ☐ Completed Free/Reduced Lunch Forms
- ☐ Each child's Health information update

If you have any questions, please call the school office. We look forward to seeing you soon.

Thank you, RMMS Steering Committee
