

RMMS SCHOOL COMPACT 2023-2024

The RMMS Compact is an agreement between the student, the student's family, and Regional Multicultural Magnet School staff. It outlines each of our responsibilities to ensure a successful, safe and enjoyable academic environment. Please review this document and sign the signature page below.

SCHOOL/TEACHER

To support continued literacy and math growth and development as a school, our responsibilities will be to:

- Provide research and scientific based literacy instruction that meets the needs of all students.
- Provide rich learning experiences in numeracy that helps each child become a mathematical thinker.
- Provide appropriate literacy and math tools to enrich learning and understanding at each level.
- Provide consistent and clear communications to families regarding classroom activities and each student's academic and social/emotional progress.
- Provide a strong academic curriculum that meets state standards and expectations of an IB programme.

To support an environment in which students are prepared, healthy, and happy, the school's responsibilities are to:

- Be welcoming and supportive to ALL children and families.
- Provide a safe environment that supports the value of ALL cultures and backgrounds.
- Provide an emphasis on the social development of compassionate children.
- Provide a safe learning environment.
- Foster a love of learning.
- Encourage the importance of physical activity each day.
- Provide community-building events in the classroom.

To increase overall student success and improve communication, the school's responsibilities will be to:

- Create opportunities for community events.
- Provide consistent and clear communications to families regarding all school activities and events.
- Collect and act on feedback from students, families, and community partners.

STUDENT:

To improve literacy and math skills as a student, your responsibilities will be to:

- Strive to read every day at home.
- Notice and use new words.
- Think about how numbers are used every day in your life.
- Learn your math facts.

To support an environment in which students are prepared, healthy, and happy, the student's responsibilities are to:

- Come to school on time every day ready to work and learn.
- Come to school with homework done and permission slips completed.
- Come ready to cooperate with all students and all adults.
- Be kind, responsible, caring, and respectful to all students and adults.
- Get plenty of exercise and rest at home.
- Monitor your screen time.
- Be willing to try new things.
- Try your best.

To increase overall success in school, the student's responsibilities will be to:

- Participate in community building events.
- Make good, responsible, and principled choices.
- Participate fully in the classroom community.
- Take responsibility for having a positive impact on the community.
- Deliver important information from parents/caregivers to school.
- Follow ALL classroom and school essential agreements.

Student Signature

CAREGIVER:

To improve literacy and math skills as parent/caregiver your responsibilities will be to:

- Read to or with your child at home every day.
- Help your child learn their math facts at home by practicing them daily.
- Read classroom curriculum updates and family newsletters related to curriculum programs.

To support an environment in which students are prepared, healthy, and happy, the parent/caregiver responsibilities are to:

- Talk with your child about their day. (e.g. What was the best part of your school day?)
- Be sure that your child is in school every day on time (8:20-8:40 AM) and that they get enough sleep each night (e.g. 10-12 hours for K-2)
- Plan for your child to stay the full day and communicate dismissal changes to the office and your child before 2:20 p.m.
- Attend all goal setting and parent conferences, and/or PPT/Team/504 meetings.
- Complete all required school forms in a timely manner.
- Ensure that the school always has current telephone numbers and emergency contacts.
- Monitor your child's screentime.
- Encourage your child to get plenty of exercise, play time with same-age peers, and fresh air.

To increase overall student success and improve communication, the parent/caregivers' responsibilities will be to:

- Provide timely communication regarding your family and your child's needs and/or updates to information.
- Attend school events as possible.
- Read all school wide communications including the Weekly Family Update.
